Dear Sir/Madam,

Greetings from ICT Academy!

We are excited to share an incredible opportunity for you and your students to be part of a **historic AI learning event**—the **Microsoft AI Skills Fest**, celebrating Microsoft's 50th Anniversary!

This event features **two major parts**:

April 8, 2025 – Kick-off Celebration & GUINNESS WORLD RECORDS™ Attempt (Online)

April 8 – May 28, 2025 – 50 Days of AI Learning (Online)

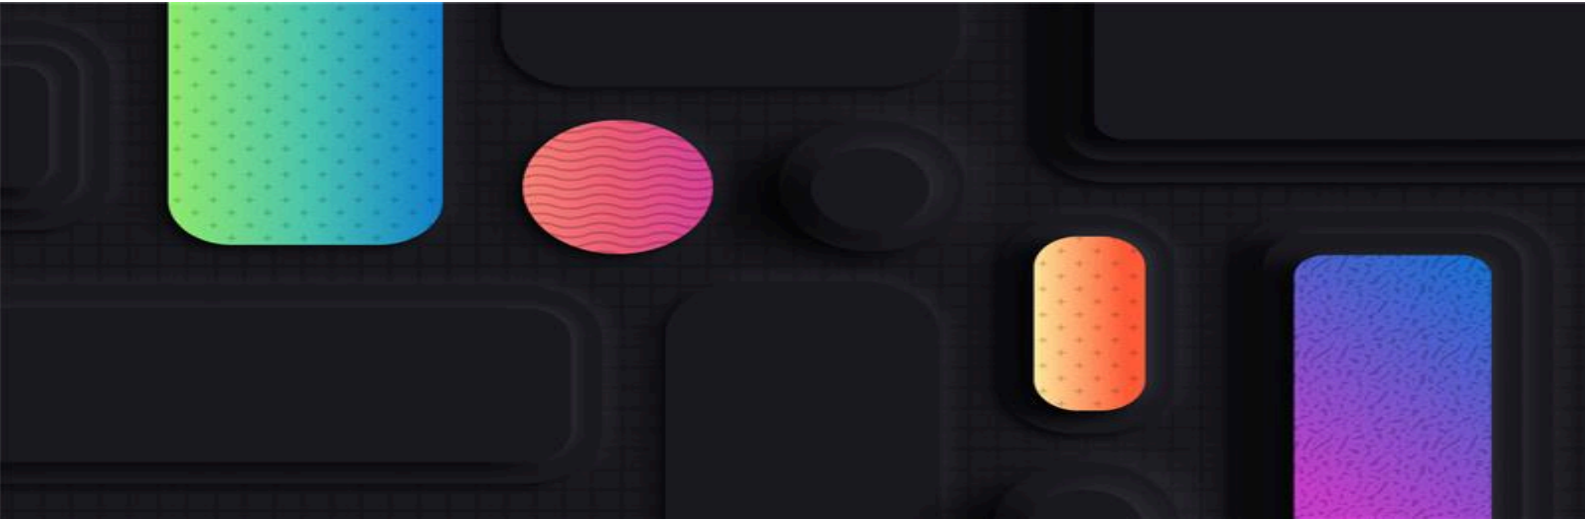

The Microsoft AI Skills Fest is designed to help **students, faculty, and professionals** build essential AI skills through deep dives, experiential content, hackathons, and hands-on sessions.

Guidelines to Register:

1. **Student Nomination Link:** https://docs.google.com/forms/d/e/1FAIpQLSezuEfs6qwb-DE30qlfzjc_0f7_Q5Br2Cen5VS81gl_39SvQ/viewform?usp=header

After completing your nominations in the above link, Register Yourself for the event using the link below.

2. **Register here:** aka.ms/AISkillsFest

Unlock the future with 50 days of AI discovery and learning

Hello learners

We are excited to announce an incredible opportunity for all of you to be part of a historic event! There will be two parts to this event.

For more information and to register, visit: aka.ms/AISkillsFest

April 8, 2025

April 9–May 28, 2025

Kick-off Celebration

Location: Online

Let's make history together. Build and showcase your AI skills while attempting a

GUINNESS WORLD

RECORDS™ title. We'll kick things off on April 8 with learning events scheduled around the globe. Ensure you complete the learning and claim your badge.

50 days of AI learning

Location: Online

Whether you're a tech professional, business user, or AI enthusiast, the AI Skills Fest offers experiences tailored to your needs. Don't miss your chance to engage with deep dives, experiential content, hackathons, and practical sessions that will enhance your AI skills over 50 days of discovery and learning.
